
OUR BEVERAGE PROGRAM

Curated by the award-winning team at EHV International, our beverage program brings together expressive wines, inventive cocktails and a thoughtful coffee and tea offering — each designed to complement the flavours on your plate.

Kevin Rodrigues, Head of Wines, has curated a versatile selection from Europe and California. Expect aromatic, fruit-forward wines with a hint of sweetness — ideal with Thai spices at Fireback or to pair with the European and American dishes at Drift — with a wide range available by the glass.

Our cocktail list, crafted by Head of Bars, Varun Sharma, draws inspiration from both Thai and European ingredients. At Fireback, bold, spice-led drinks sit alongside refreshing highballs. At Drift, the focus is on bright, elegant, and layered profiles.

The coffee bar runs all day, with specialty brews and indulgent signatures — like the Espresso Cold Fashioned and Nutty Affogato — alongside Thai iced coffee, handcrafted teas, and more.
